Obituary

We are deeply saddened that Raheem "Birdie" Belgrave: A beloved son, brother, grandson, friend and magnificent footballer was called to rest with the angels on 16 January, 2022.

He was born on the 7th of November, 1992 to Dr. David Muhammad and Roxanne Muhammad who nurtured him to be a man full of goodness, love and virtue. He lived in London along with his sister Medinah and passed while visiting his home country, Trinidad and Tobago, which he loved greatly. All of his family and friends will miss him dearly.

Although we are deeply saddened by his sudden passing, in his 29 years of life, Raheem has taught us the lessons of what it is to love. Wherever he went, he shared his warmth, sincerity and joyful spirit in his calm and peaceful demeanor.

We are proud to celebrate the love, joy and peace Raheem blazed in this world along with his many achievements and his passion for football. He was a committed goal keeper and trained with tenacity, discipline and perseverance.

During his career as a football player, he played for Trinidad and Tobago's Under 17 Football team, Joe Public U-17, Jabloteh FC, Skhy, Queen's Park and UWI.

He proved to be an amazing athlete and was signed on to Wembley Football Club in the UK in 2018 where he played for the London Jaguar Team.

Raheem was selfless and did not keep his passion for football to himself. He shared his gift in his roles as coach and mentor at the SKHY Football Club in Trinidad.

Raheem was a well rounded young man and a model citizen who took nothing for granted, including his health. He refused drugs, alcohol and any substance that would be harmful to his mind and body. He further kept his vessel pure by choosing not to use obscenities and foul speech; he chose his words wisely and spoke life and love into all who encountered him.

At his core and foundation was his dedication to his faith. He would fast for the month of Ramadan, even while playing league football.

He was caring, loving, considerate and a thoughtful soul who touched the lives of all those he played this sport with.

He will be severely missed by his co-workers at the Network Group Events, his many friends, his family, teammates and everyone who has had the privilege of having him in their lives.

Raheem is survived by his loving parents David & Roxanne Muhammad his Sister Medinah, Grandparents, aunt and uncles, cousins and friends, mentees, teammates, and co-workers.

[illegible]

Love David, Roxanne and Medinah.

Do not stand at my grave and weep,
I am not there, I do not sleep.
I am in a thousand winds that blow,
I am the softly falling snow.
I am the gentle showers of rain,
I am the fields of ripening grain.
I am in the morning hush,
I am in the graceful rush
Of beautiful birds in circling flight,
I am the starshine of the night.
I am in the flowers that bloom,
I am in a quiet room.
I am in the birds that sing,
I am in each lovely thing.
Do not stand at my grave and cry,
I am not there. I do not die.
